

# We Won't Move

Bruce Barthol (SFMT:1977)

We won't move

We won't move been moved be-fore. We won't move no more. They'll have to car-ry us out the door. We won't move

Our cit-y is peo-ple, not con-crete. Park-ing lots and cars aren't the on-ly things on our street. Lived here so long, got friends all a-round. Won't let the man come and tear it down. We won't move We won't move. We won't move
